

Reference	NGR: Start		NGR: End		Length (mts)	Description
	Easting	Northing	Easting	Northing		
T001	72684	77181	72770	77109	112	Grassy track
T002	72965	77069	72984	77042	33	Track from mining feature (temp. ref. GJ019)
T003	70872	75754	71009	75877	185	Grassy but well made track running diagonally across scarp NE-SW linking two terraces.
<a href="#">T004</a>	69918	75613				Overgrown track linking into public bridleway on east side of field boundary wall 2m wide
<a href="#">T005</a>	70162	75872	70134	75900	40	Man-made track through limestone scar linking terraces.
T006	70341	75949	70280	75887	150	Probable track with some sandstone boulders near edge
T007	70050	75569	70078	75643	120	Cleared track SE to NW then S to E
T008	70063	75578	70070	75600	25	Cleared track SW to NE
T009	70105	75557				Public bridleway passes through scar. Appears to be older than the bridleway.
T010	71759	76576	71751	76658	20	Narrow track with cleared routes through limestone pavement
T011	70315	75097	70299	75064	40	
T012	70870	75259	70775	75196	110	Possibly continues under existing wall
T013	70536	75681	70750	75634	245	Through rocks and along terrace to blocked gateway.
T014	72686	77327	72556	77209	175	
T015	73184	77009	73196	77018	16	
T016	70520	75329	70637	75615	431	At times deeply cut into hill side
T017	70520	75285	70664	75274	155	
T018	71673	76127	71739	75932	297	Track way through scree from 2nd terrace running North-South
<a href="#">T019</a>	71961	76472	71955	76450	40	Track cleared through scree running N-S from top to bottom - linking terraces. N end
<a href="#">T020</a>	71875	76442	71830	76441	51	Broad track through scree linking terraces. E end
<a href="#">T021</a>	70154	75447	75527	364	30	Track way through limestone pavement
T022	71066	75903	71051	75887	32	Stretch of stone edged trackway leading to next level
T023	70218	75383	70327	75248	220	Track way cut through limestone pavement
T024	70346	75218	70319	75170	55	From escarpment above, possibly goes through wall downhill
T025	72370	76738	72363	76791	53	Trackway continues on other side of wall as a holloway
T026	71529	76521	71491	76588	77	Holloway passing through limestone pavement
T027	71451	76675	71500	76705	57	Holloway passing through limestone pavement
T028	71634	77011	71318	76811	357	Running SE/NW

Reference	NGR: Start		NGR: End		Length (mts)	Description
	Easting	Northing	Easting	Northing		
T029	71413	76735	71485	76590	162	Approximately NS
T030	72742	77625			5	Through limestone
T031	72620	77538	72620	77507	165	
T032	72368	76797	72337	76872	80	Coming down beneath wall
T033	72420	76874	72351	76824	85	Branch off from the track shown on OS map
T034	72799	77215	72834	77143	80	
T035	73101	77461	73061	77508	60	Very deep holloway carrying on past High Scales. Lots of sandstone in bank
T036	72313	76770				Walled up gateway in intake wall across track. Boundary marker on other side of intake wall already recorded
T037	72482	76554	72398	76556	90	Heading uphill to gully
T038	73539	77081	73519	77069	23	SSW-NNE
T039	71622	76319	71624	76275	N-S	Steep track through scree leading to terrace with enclosure E019 and wall W019
<a href="#">T040</a>	70192	75364			Av. Width 2	East end of well defined grassy track rising up fell side and continuing through limestone pavement 2m wide
<a href="#">T041</a>	70104	75472	70087	75462	15	East end of short track through limestone pavement linking rough pasture. Possible lined by collapsed walls.
T042	73460	77356				Track from High Scales curves down hill
T043	73385	77276				Track branching off from High Scales to wall at SD 73202 77190
