

Reference	NGR: Start		NGR: End		Length (mts)	Description
	Easting	Northing	Easting	Northing		
W001	71956	77288	71942	77299	31 total	Bield, mainly collapsed consisting of 4 walls, 3 sandstone and one limestone. Overlies cairn C081
W002	72040	76181	72090	76181	50	East End, runs E-W
W003	71986	76341			3 and 19	L-shaped wall, Longer wall E-W
W004	72174	76378	72198	76346	40	
W005	72202	76383	72244	76329	68	
W006	73151	77153			8	Wall across escarpment
W007	72877	77040	72868	77052	15	
W008	73022	76967	73009	76949	22	Across a track way down escarpment.
W009	72964	76928	72955	76937	13	Wall crossing part of terrace
W010	72791	76858			1	On edge of escarpment
W011	72614	76753			1	On edge of escarpment
W012	72375	76603	72364	76594	18	Wall across gully
W013	72290	76411			10	Wall running down slope across terrace
W014	72289	76522			3	Wall from back rock to escarpment edge
W015	72256	76381	72222	76367	84	Wall running down slope
W016	72230	76367	72179	76377	69	Wall with right angled bend
W017	71515	76003			18	18m long- gritstone - outlining edge of old trackway?
W018	71680	76212	71664	76201	23	Curvilinear stone wall 0.7m wide x 0.5m high with 80% of length (approx.) providing revetment for track.
W019	71626	76337	71637	76329	19	Curvilinear stone bank/wall incorporating large boulders 1m x 0.3m high
W020	70467	76031			3	Evidence of stone walls 3m long and at right angles to limestone scar
W021	70468	76037			3	Evidence of stone walls 3m long and at right angles to limestone scar
W022	70468	76039			3	Evidence of stone walls 3m long and at right angles to limestone scar
W023	73140	77096	73161	77106	24	Intermittent low stone wall 1m x 0.5 high running along bottom of scree
W024	73087	77001	73075	77004	11 x 0.75 x 1.75	Sheep bield - well built limestone wall 0.75 x 1.75m high partially collapsed
W025	72887	77000	72895	77006	9	Sheep bield 0.8 x 2m high built at right angles to wall shown on modern map
W026	72179	77539			18 x 1.5 x 0.75	Curvilinear wall 1.5 x 0.75m high of limestone

Reference	NGR: Start		NGR: End		Length (mts)	Description
	Easting	Northing	Easting	Northing		
W027	72057	77380	72067	77368	10 x 1 x 0.3	Sandstone 1m x 0.3m high on limestone - possible wall
W028	73089	76882	73088	76886	4	Possible enclosure towards East (see W029)
W029	73101	76901	73110	76889	15	Possible enclosure towards West (see W028)
W030	73154	76917	73158	76910	8	Wall passes North to other side of Boundary fence
W031	73152	76915	73168	76919	16.5	Possible cleared enclosure to South near wall on top of natural escarpment with lots of gritstone in and along the line of the wall
W032	73230	76962	73257	76966	27	Wall crosses fence to West ending where 4 walls meet
W033	73265	76999	73222	77012	45	Modern wall head on top of escarpment. Wall inside fenced-off area
W034	72132	76315	72012	76234	145	
W035	70524	75454				A very small section but clearly a wall
W036	70546	75438	70547	75456	18	Runs across escarpment. Gritstone around.
W037	70609	75418	70597	75441	25	1m wide. Gritstone in evidence
W038	70770	75480	70528	75329	275	Wall converges with Track way at SD 70626 75365
W039	70895	75680	71020	75738	60	Sandstones on edge of terrace - intermittent
W040	72244	77019	72233	77025	12	Remnant wall, some gritstone
W041	70701	75548	70708	75622	27	Possibly continues as relict on next terrace
W042	72779	77441	72694	77437	100	
W043	72561	77382	72563	77402	20	
W044	73242	78009	73266	77942	70	Gritstone evident in construction
W045	73342	77934	73323	78017	86	Limestone rocks form wall with a small break
W046	73176	77015	73163	77035	24	Wall goes down probably to walled gap on edge of escarpment
W047	73440	77697	73428	77697	12	Row of orthostats shadowing very old boundary wall
W048	71640	76216	71646	76231	19	Wall (max height 1.9m) across gully mainly collapsed, continuation of wall on ridge (on OS map). SW end
W049	71803	76439	71806	76431	9 x 1 x 1.6	Wall 1m x 1.6m high running NW-SE across terrace. Well built but not on OS map.
W050	71485	76265			20	Short section across terrace running N-S partially collapsed
W051	70141	75522	70183	75497	55	North end of indistinct collapsed limestone with small amounts of sandstone
W052	70101	75456				Possible wall. Tumble of limestone on pavement with some scattered sandstone. Wall running across pavement?

Reference	NGR: Start		NGR: End		Length (mts)	Description
	Easting	Northing	Easting	Northing		
W053	73434	77111			7	Evidence of wall building on top of escarpment, small stones/sandstone within natural
W054	73429	77218	73420	77231	16	Relict wall - line of piles of stones adjacent to modern wall
W055	71160	75813			10	Substantial limestone wall max height 1.2m between cleft in escarpment
W056	71124	75790			5	Remains of wall across slope breached by sheep path
W057	73289	77159	73296	77176	24	Wall with turn towards slope
W058	70423	75351			4 and 6	2 relict walls running NS or possibly a structure?
W059	70268	75288	70258	75202	90	Gritstone shows possible relict wall.
W060	70264	75264	70315	75270	50	Remains of relict wall. Lots of gritstone.
W061	70416	75331	70417	75307	25	Relict wall - gritstone evidence
W062	70420	75305	70432	75315	16	Relict wall - gritstone evidence
W063	70370	75238	70375	75280	45	
W064	70341	75271	70360	75255	25	Gritstone evidence
W065	70371	75269	70386	75258	20	Gritstone evidence
W066	70582	75310			8	Wall? Gritstones (5) in a line.
W067	72756	76840			15	Bield limestone curved - SE end demolished
W068	72650	76818			4	Limestone with massive boulder containing it at SE end
W069	72529	76761	72535	76753	10	Line of stones running NNW/SSE from escarpment
W070	72415	76670	72451	76690	41	Wall along edge of escarpment - gritstone in evidence. Possible wall running down from E end at right angles
W071	72372	76769	72379	76776	11	With 1.2m opening across line of trackway T025
W072	71274	76836	71281	76833	8	
W073	71617	77113	71625	77097	18	Wall with adjacent feature on N side
W074	71247	76606			5	1.5m wide
W075	71303	75985			12	
W076	71024	75854	71027	75882	28	Evidence of walling
W077	71017	75874	71027	75882	13	
W078	70861	75630	70895	75667	60	Evidence of sandstone wall
W079	71046	75726	71056	75722	65	Wall up south side of gully -cross wall in gulley
W080	71048	75728	71026	75748	30	Wall up north side of gully -cross wall in gulley
W081	71107	75774				Limestone across routeway going up escarpment
